Dear customers and suppliers,

As we find ourselves in ever changing and unprecedented times, we would like to take the opportunity to provide you with an update on business at King Springs.

We are well equipped to continue operating as usual, with sufficient materials on hand to continue manufacturing, regardless of potential delays to freight or transport issues.

Our staff are well prepared and we have implemented a range of precautionary measures designed to keep our staff, customers, suppliers and contractors safe, including social distancing measures, temperature checks for all site visitors, increased PPE and increased cleaning of facilities around the factories and offices.

In order to ensure the continued safety of customers and staff, our workshop is currently closed until further notice.

The office will continue to be open Monday to Friday, however there will be a change to office hours.
As of Monday the 20th April, the front office will be open from 8am to 4pm, Monday to Friday.

The warehouse will also be open 8am to 4pm, Monday to Friday. This is not expected to impact despatch times on our end. Cut off times for single orders will remain 1:30 pm. Bulk orders will continue to be despatched the day following order placement.

On behalf of all the team at King Springs, we hope that you and your families remain safe and well during these challenging times.
